harm-free
communities

Cyrenian House is a not-for-profit non-government organisation that has been operating within the alcohol and other drug (AOD) treatment sector since 1981. Cyrenian House has demonstrated an enduring capacity to deliver a professional and effective treatment service and is one of the leading AOD treatment services in Western Australia.

Cyrenian House supports and upholds a robust standard of cultural competence by recognising cultural needs and reviewing programs to ensure they meet the needs of Aboriginal, Torres Strait Islander, CaLD and LGBTQI+ communities.

*All services provided
are confidential
and free of charge*

Cyrenian House acknowledges the past, present and future Traditional Custodians of this land and recognise our services are situated on Whadjuk Nyoongar Country and Yawuru Country.

Cyrenian House is certified against the Alcohol and Other Drug and Human Services Standard and the Australasian Therapeutic Communities Association Standard.

Midland Withdrawal & Intervention Centre

The Midland Withdrawal & Intervention Centre (MWIC) offers highly responsive same, or next day admission to consumers seeking low-medical withdrawal and associated services, including support for their families and significant others.

The six bed facility operates 24 hours a day, 7 days per week, and is located in Eveline Street, Middle Swan. Consumers can stay for up to 21 days whilst undertaking low-medical withdrawal, as a result of their substance use.

The service offers a person centred “no wrong door approach” to support individuals experiencing alcohol and other drug and mental health related issues.

Cyrenian House

Cyrenian House is a not-for-profit, non-government alcohol and other drug treatment service, providing a range of residential and non-residential services to individuals, families and friends who are experiencing difficulties with alcohol and drug use

Richmond Wellbeing

Richmond Wellbeing is a not for profit, non-government mental health service who provide a range of residential and non-residential services to individuals, families and friends to support their personal recovery journey.

Services

- Individually tailored withdrawal program, in partnership with health professionals.
- Support for their families and significant others.
- Fast-tracked entry to the service with same day assessment and admission.
- A structured but flexible program, including comprehensive assessment of needs and treatment planning.
- 24-hour residential care and support with medical and psychosocial support offered by experienced AOD/Mental health clinicians.
- Assertive referral to community-based support and counselling services where appropriate
- Referral to residential treatment and support services where appropriate.
- Maximum length of stay 21 days.
- Free of charge

This service is suitable for:

Individuals experiencing problems as a result of their substance use, (including those experiencing co-occurring mental health and substance related challenges) who require;

- A short-term residential low medical withdrawal program, prior to attending residential rehabilitation program.
- A short-term residential low medical withdrawal program, prior to returning to the community.
- Families and significant others seeking support for their loved ones AOD use.
